

Application Performance Management & eduPERT

Brian Nisbet

HEAnet

- **HEAnet client institutions are increasingly moving services (email, VLEs etc) to cloud based providers.**
- **Remote (different countries & continents) campuses using centralised VLEs & media.**
- **Rise of multi-domain testbeds/projects.**

- **Performance to \$VLE in Amsterdam.**
- **Video streaming from Ireland to China.**

- **HEAnet running a framework tender for commercial APM solutions.**
- **Considering building in house solution.**
- **Investigation of multi-domain APM solutions?**
- **eduPERT role?**
- **GEANT NOC/MDSC role?**
